Game #30, Home #15 ♦ RFD Series, 2-1-0-1

Milwaukee Admirals
(16-9-4-1)

37 points
(1st, Central)

BACON BITS

SERIES NOTES: The IceHogs were shut out in their home opener against Milwaukee on Dec. 1 and have now dropped each of their last eight home games against the Admirals dating to March 14 of the 2016-17 season. Rockford is 0-6-1-1 at the BMO during that stretch, notching its last home win on Feb. 12, 2017 (2-1 win). The IceHogs outshot the Admirals 28-22 during the most recent meeting between the teams and have now outshot Milwaukee in three of the first four meetings this season (105-96 overall).

POWER OUTAGE: Rockford and Milwaukee have each been held scoreless on the power play through four games in the 2018-19 series. The two teams have combined to kill off 34 power plays during that stretch, with the IceHogs going 18-for-18 on the PK and Admirals at 16-for-16. Rockford and Milwaukee have faced each other six times since the last contest in which both teams scored a power-play goal (March 2, 2018).

BEST DEFENSE IS OFFENSE: Rockford and Milwaukee each feature a defenseman as their leading scorer, with Darren Raddysh pacing all active IceHogs skaters with 18 points and Matt Donovan sharing the team lead with 19 points for the Admirals. Only four teams in the AHL are led in scoring by defenseman, and two of those teams meet in tonight's game (also Rochester- Zach Redmond, and Tucson-Kyle Capobianco).

ONE IS NOT THE LONELIEST: The IceHogs have notched each of their last seven wins by a one-goal margin dating back to Nov. 9 at Milwaukee. Overall, Rockford's eight wins in one-goal games are the fifth-most in the AHL, and its 16 total one-goal games thus far this season are the sixth-most in the league (Bridgeport and Milwaukee lead the AHL in one-goal games with 18).

WE MUST PROTECT THIS HOUSE: Hogs goaltenders have posted 35+ saves in each of the last five home games dating to Dec. 2. Rockford netminders Collin Delia, Anton Forsberg and Kevin Lankinen have combined for a .943 save percentage at the BMO over that span with 198 saves on 210 shots.

ADVANTAGE, ROCKFORD: Rockford has netted a power-play goal in four of the last five games since Dec. 7. The Hogs are 5-for-17 (29.4%) with the man-advantage over that span, including producing just the third multi-PPG effort of the year on Dec. 14 at Grand Rapids.

KILLER INSTINCT: The IceHogs combined to kill off each of Grand Rapids' four power-play opportunities during Sunday's game at the BMO Harris Bank Center. With the effort, Rockford now boasts the AHL's best penalty kill at home with a 90.2 (46-for-51) efficiency. The team's five PPGs allowed at home are just one more than the league-low total by San Jose.
